DEEPTARKA BHATTACHARYYA

PROFESSIONAL EXPERIENCE — 7 YEARS

Summary: Senior Product Manager with **7+ years of experience** building **customer platforms**, **payments**, and **lending** products. Launched and scaled 0→1 products delivering measurable business impact across revenue, cost, and customer experience

Pine Labs, Noida | **Product Manager 2** | **Dec'24 – Present**

Scope: Currently building **Customer Experience** for Plural Payment Gateway **products** with ownership across Onboarding, Dashboard/App, Developer Portal, Customer Service, Risk and Compliance solutions

Key projects:

- **Enterprise Merchant Scale-Up:** Solved enterprise merchant scale-up bottlenecks through customer research and product enhancements, increasing average wallet share from **18% to 26%**, driving ~**₹12,000 Cr annual GTV** and ~**₹23 Cr annual revenue**
- **Cross-Border Payments (PACB):** Led the 0→1 merchant onboarding and dashboard experience, enabling 100% RBI-compliant onboarding in ~24 hours and generating ₹7 Cr revenue within the first 3 months.
- **App Adoption:** Boosted app adoption, doubling MAU from 52k→125k in 6 months | Enhanced user stickiness from 34% to 63%
- **Merchant Reporting:** Standardized reports across platforms and introduced self-serve customization, reducing CS tickets by ~29%
- **Referral Program:** Conceptualised and delivered an in-app referral program for device sales, reducing **CAC by ~67%**, delivering **₹5 Cr+ annual savings**, and driving **~20% of annual device sales**
- **AI Chatbot:** Built a conversational AI assistant for Pine Labs Developer Portal, reducing **merchant integration TAT by ~25%**
- **Merchant Data Platform (MDP):** Delivered an in-house merchant onboarding platform from **0→1** and led end-to-end migration from Salesforce, improving product release throughput by 50% and reducing future development costs by 25%
- **Partner Platform:** Designed an end-to-end partner platform from **0→1**, enabling self-serve onboarding, referrals, and automated commission management, driving the partner channel to **~30% of all merchant onboarding**

Cars24, Gurgaon | **Senior Product Manager** | **Jun'24 – Dec '24**

Scope: Owned Dealer-led Consumer Financing and Collections products for the Cars24 Lending business

Key projects:

- **Dealer Consumer Financing (DCF): Led** the 0→1 dealer-led consumer financing product through customer discovery, MVP definition, and product strategy, enabling used-car dealers to digitally originate customer loans
- **Collections Platform:** Launched a loan EMI payment platform, enabling digital collections for ~37% of the loan portfolio
- Secured CXO approval and funding by presenting product vision, market insights, business case and roadmap to executive leadership

Paytm, Bangalore | **Product Manager** | **Apr'22 – Jun '24**

Scope: Owner for Settlement and Merchant/Finance Reconciliation experience for Paytm Payment Gateway; Owner for One-time payment systems (UPI, Net Banking, Cards), and Checkout solution for Paytm AI Router

Key projects:

- **Partial On-Demand Settlement:** Designed a flexible settlement solution enabling merchants to access a portion of pending funds on demand while retaining scheduled settlement for the balance, unlocking **~12 Cr in annual revenue**
- **Multi-Nodal Settlement Platform:** Led the launch of a **multi-bank settlement platform** that intelligently routed ~**2.5Cr** merchant settlements per day across 3+ banking partners, reducing settlement failures by **20%** and pending settlements by **50%**
- **Merchant Reconciliation: Modernized** reporting for **2Cr+ merchants**, reducing **report generation costs by ~40%**, cutting scheduled report TAT by **~95%**, and increasing dashboard report downloads by **~1500%**
- **Auto-Refunds:** Built a system to automate refunds for delayed payment authorizations, impacting ~5% of transactions on AI Router

Optum UHG, Remote | **Product Management Intern** | **Sep'21 – Oct '21**

Project: Product Strategy for Fraud, Waste, Abuse & Error (FWAE) Offering

- **Benchmarked** product offerings across 30+ US healthcare startups; identified **15+ opportunities** for product enhancements

Infosys, Bangalore | **Product Analyst** | **Dec'17 – Apr '20**

- **Product Analytics:** Defined product success KPIs and curated real-time dashboards for performance tracking across key metrics
